period which begins with the regular starting time of the employee's shift and ends with the regular starting time of the employee's shift the following day. In this shift arrangement, the day shift shall be worked somewhere between the hours of 6:00 A.M. and 6:00 P.M.

4.5.1.6 Swing Shift (C or D Teams). For each shift, eight (8) hours shall be paid at the basic straight time hourly wage rate for the first through the fourth day of the scheduled work week for seven and one-half (7-1/2) hours of work. Eight (8) hours straight time pay shall be the basis for computing fringe benefits and overtime pay. Payment for all hours beyond seven and one-half (7-1/2) hours shall be at one and one-half (1-1/2) the basic straight time pay, with the exception that all hours beyond seven and one-half (7-1/2) on Sunday will be paid at two (2) times the basic straight time rate.
